To Whom It May Concern,

I am writing to attest to the character of \_\_\_\_\_, whom I  
Name of volunteer

have known for \_\_\_\_\_ years in my capacity as senior pastor of \_\_\_\_\_  
Church name

At \_\_\_\_\_.  
Town/city

I do acknowledge that this volunteer has been an active member of our church, participating in and attending services weekly. He/She has been a person of good moral character, and somebody that I would fully recommend as a volunteer for youth ministry in WCD Bible Quizzing.

If, at any time, for any reason, my opinion should change or that I feel this volunteer should not be working closely with other adults or youth in the Bible Quizzing Ministry, I will notify the head coach of our local church as well as the District coordinator of WCD Bible Quizzing.

Sincerely,
